

The Academy

The Junior Kicks Soccer Academy is similar to a traditional recreation program only with professional coaches and trainers leading the practices and games. (No parent coaches.) All training sessions and matches will be played at Dyer Park. Soccer instruction will be focused on foundation skills and basic tactics necessary to participate and have an enjoyable introduction to the game of soccer. Training sessions will be age and ability specific following the Kicks Soccer curriculum. Match days will consist of all Junior Kicks players being divided into teams and competing with other groups from within the academy in round robin match format. Parent education will also be offered throughout the program to ensure an enjoyable experience as we all watch the players develop playing the most popular sport in the world.

Why Junior Kicks Academy?

- Age appropriate training curriculum modeled after top clubs in Europe.
- Set training and match day schedule that does not fluctuate so parents can plan.
- Costs are minimal for a healthy, sometimes first time, experience with a sport.

Academy Directors

The Junior Kicks Academy will be under the direction of Eric Arbuzow, Boys Director of Coaching and Tim Miller, Girls Director of Coaching and the Kicks Soccer Club team of professional coaches.

Coaching Staff

Top quality youth coaches from the 1st teams of the Kicks Soccer Club staff the Junior Kicks Academy and all are fully licensed. All Junior Kicks Academy coaches have extensive experience at various levels of coaching and playing, many of whom developed locally as youth players and then have gone onto top NCAA schools or professional clubs. The Kicks Soccer Club prides itself on having the best coaching staff in the North County and many teach and coach in the private or public education systems. For more info and to see a complete list of the coaches and their experiences in the game visit our website at:
