

April 2006

Dear Kicks Soccer Family

I thought the time was right for an update now that the main season is over and the challenge of State Cup is upon some of us.

The Board would like to say "well done" to all the players who have been representing the Club. We would like to thank our coaches for their dedication in developing these young players and to the parents for their patience and keeping up with some very busy schedules. As always the teams rely on many people to make their game of soccer happen and to those people we would also like to say a very big "thank you" for volunteering your time and efforts. It does not go unnoticed! We all volunteer our time, money and effort for the love of the game and of the children. It's this level of commitment that keeps us all focused on making Kicks Soccer Club a growing success.

As we move forward, the focus will be on building Kicks Soccer Club's identity. Our emphasis will be on building more teams through Club tryouts and promotion in the local and surrounding areas. Try out dates will be posted on our website and if you have joined the e-mail list you will receive notification when these dates become available. As the Club grows the website will be an integral part of keeping families, players and fans up to date with special news and announcements. It is truly the hub of our organization.

Other Club news includes our filing for non-profit status. We are currently waiting for the next step in this process and we hope this will encourage sponsorship opportunities in the future. If you have any questions regarding sponsorship please contact us through the website Contact Us Form.

As we move towards the summer, I know this is a time for reflection, regrouping and planning ahead for the next season and the growth of our Club. With your continued support and the success of our teams, we know others will see Kicks as the premier youth soccer organization that it is!

Enjoy your summer break and thank you for your loyalty to Kicks Soccer Club.

Sincerely

David Henderson  
President
