WWW.KICKSSOCCERCLUB.COM

Dear Kicks Soccer Family,

Our main season is finally underway following the initial disruption caused by hurricane Wilma. The Board would like to thank all of you who worked so hard to keep our teams on schedule to complete the season. We would also like to wish the coaches and teams every success following the hard work they have put in to pre-season.

We've had our inaugural Board Meeting and look forward to setting up a Club Management Committee to help build on the foundation of success secured by Paul and Pat Gelb.

We have invested in a website and are now able to provide cohesive news, updates and events. If you have any news to share please feel free to send it to us. This is your website too! You can send your news and photos to lhenderson@kickssoccerclub.com

With the successful launch of our new web site, we now offer sponsorship opportunities. Advertising revenue from the web site will be used directly to support the teams and the club. If you own or manage a business or know someone who does, they can learn more about our sponsor opportunities at:

http://www.kickssoccerclub.com/sponsor_opps.html

We are currently in the process of filing for a full non-profit status. We will continue to update you on this process as it progresses. This will hopefully further facilitate the success of our sponsorship program and in turn, the success of our club.

We hope everyone had a great Thanksgiving and we look forward to another very successful Kicks season. Thank you for supporting your soccer club!

Sincerely,
David Henderson
President
